

MEGATOUCH

MEGATOUCH AURORA WIDESCREEN™

Merit's Megatouch Aurora WS delivers an expanded wide-screen experience to players, plus a new media side-bar for advertising and promotions. Integrated credit card support offers a convenient means to purchase more credits and will also serve as an instant player login, driving repeat play. Improved internals, more memory, a cooler, quieter system, and widescreen play – the Aurora WS. More to touch, more to love.
