Re: The Inclusion of the Game *Baseball* in MAXX™ Owner's Manuals

The game *Baseball* is listed in the early copies of the Diamond Edition of the MAXX™ Owner's Manuals (MAXX Classic™ - PM0220-04, MAXX Elite™ - PM0235-03, MAXX Select™ - PM0240-02, and MAXX™ Upright - PM0139-05) under the section "Game Name and Score Needed for Initial Replay." This game is not part of the Diamond Edition software release and it is not available.
