## Re: How to Read a Game Serial Number

AMI Entertainment has implemented a new form of game serialization beginning with the Megatouch Force product line. Use the following key to interpret the serial number of your game.

### MMDDYYTTGGNNNN

**MM = two-digit month of manufacture**

**DD = two-digit day of manufacture**

**YY = last two digits in year of manufacture**

**TT = two-digit tracking code (usually 00, can be changed to track special circumstances)**

0L = Mega-Lease      0M = M-Lease      01 = Uses SB0410-01 Assembly      50 = GR Build      MR = M RoHS Build  
 02 = Uses SA10070-04 MB      RO = RET      WR = RoHS      5R = GR RoHS Build

### GG = two-digit code representing game series/model

- |   |                                     |                                      |
|---|-------------------------------------|--------------------------------------|
| 00 = Force Classic                            | 38 = 17" Ion eVo Walleto (coin)     | 90 = Force Fusion                    |
| 02 = Boardwalk                                | 39 = 17" Ion eVo (Non-Revenue)      | 91 = Force Fusion (Non-Revenue)      |
| 10 = Force Elite                              | 40 = Conversion Kits                | 92 = Ion Fusion                      |
| 11 = 15" Ion eVo (Bill)                       | 41 = Force Conversion Kits          | 93 = Ion Fusion (RoHS)               |
| 12 = 15" Ion eVo (Coin)                       | 42 = Boardwalk Conversion Kits      | A0 = Mr. VIPS                        |
| 13 = 15" Ion eVo (Bill & Coin)                | 50 = Force Vibe Display (Bill)      | B0 = Fun Zone                        |
| 14 = 15" Ion eVo (Non-Revenue)                | 51 = Force Vibe Processor (Bill)    | B1 = Fun Zone Jr.                    |
| 15 = 15" Ion eVo Walleto (Bill & Coin)        | 52 = Force Vibe PC                  | C0 = 15" Force Gametime              |
| 16 = 15" Ion eVo Walleto (Coin)               | 53 = Force Vibe Display (Coin)      | C1 = 15" Ion Gametime Countertop     |
| 17 = 15" Ion Elite Edge (Bill & Coin)         | 54 = Force Vibe Processor (Coin)    | C2 = Ion Gametime Upright            |
| 18 = 15" Ion Elite Edge (Coin)                | 55 = Force Megatouch Booth Game     | C3 = 17" Ion Gametime eVo            |
| 19 = 15" Ion Elite Edge (Bill)                | 56 = Ion Walleto Music Box          | D0 = Force Money Shoot               |
| 20 = Force Radion                             | 60 = Force Megatouch Combo Jukebox  | E0 = 17" Ion Aurora (bill & coin)    |
| 21 = Force Champ                              | 61 = MegaTunes                      | E1 = 17" Ion Aurora (coin)           |
| 22 = 15" Ion eVo (Bill) (RoHS)                | 62 = Remote Sound System            | E2 = 17" Ion Aurora (bill)           |
| 23 = 15" Ion eVo (Coin) (RoHS)                | 63 = MoD BoX                        | E3 = 19" Ion Aurora (bill & coin)    |
| 24 = 15" Ion eVo (Bill & Coin) (RoHS)         | 64 = MoD BoX Deluxe                 | E4 = 19" Ion Aurora (coin)           |
| 25 = 15" Ion eVo Walleto (Bill & Coin) (RoHS) | 65 = MoD BoX Deluxe Wireless        | E5 = 19" Ion Aurora (bill)           |
| 26 = 15" Ion eVo Walleto (Coin) (RoHS)        | 70 = OEM                            | E6 = Aurora Widescreen (bill & coin) |
| 27 = 15" Ion Elite Edge (Bill & Coin) (RoHS)  | 71 = VIPS                           | E7 = Aurora Widescreen (coin)        |
| 28 = 15" Ion Elite Edge (Coin) (RoHS)         | 72 = Ion OEM                        | E8 = Aurora Widescreen (bill)        |
| 29 = 15" Ion Elite Edge (Bill) (RoHS)         | 73 = Ion OEM (RoHS)                 | E9 = Widescreen (Non-Revenue)        |
| 30 = Force Upright                            | 80 = Force eVo (Bill)               | F0 = Rx (bill & coin)                |
| 31 = 17" Ion eVo (bill & coin)                | 81 = Force eVo (Coin)               | F1 = Rx (coin)                       |
| 32 = 17" Ion eVo (coin)                       | 82 = Force eVo (Bill & Coin)        | F2 = Rx (bill)                       |
| 33 = 17" Ion eVo (bill)                       | 83 = Force eVo (Non-Revenue)        | FT = FireFly Tablet                  |
| 34 = 17" Ion Elite Edge (bill & coin)         | 84 = Force eVo Walleto              | FD = FireFly Dock                    |
| 35 = 17" Ion Elite Edge (coin)                | 85 = Force Elite Edge (Bill & Coin) | G0 = Prize Vault (coin & bill)       |
| 36 = 17" Ion Elite Edge (bill)                | 86 = Force Elite Edge (Coin)        |                                      |
| 37 = 17" Ion eVo Walleto (bill & coin)        | 87 = Force Elite Edge (Bill)        |                                      |

**NNNN = four-digit sequential number of game produced during the day**

*See the next page for an example.*

**Example:**
