

ATTENTION:

OBSERVE PRECAUTIONS FOR HANDLING ELECTROSTATIC DEVICES

Removal/Installation of Motherboard - FORCE Radion Countertop/Fun Zone JR.

Motherboard Removal

1. Turn off and unplug the game.
2. Unlock and open/remove the rear door and the side doors.
3. Disconnect all connections to the motherboard, as well as the touchscreen and centronics power connectors from the power supply harness.
4. Remove the 4 screws mounting the motherboard to the mounting frame (see Figure 1) and carefully remove the board. Insert the board into an anti-static bag for storage. NOTE: Be sure to read the Motherboard Handling Precautions before handling the board.

Motherboard Installation

1. Place the new motherboard on the mounting frame, lining up the screw holes on the board with the holes in the game, then replace the 4 screws.
2. Reconnect all connections to the motherboard, as well as the touchscreen and centronics power connectors from the power supply harness.
3. Close/replace and lock the rear door and the side doors.
4. Plug in and turn on the game.
