## Megatouch XL

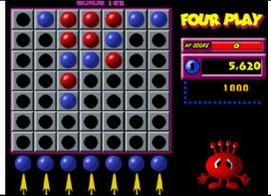

| Game Name & Thumbnail  | Game Play Instructions   |
|--|--|
| <p><b>Run 21</b></p>            | <p>Players sort deck cards into 5 columns without exceeding 21 in any column. Players can skip only 1 card in their pursuit of a perfect score of 105. The total of all 5 columns determines your score.</p>   |
| <p><b>Royal Flash</b></p>       | <p>Poker with a twist! The player is challenged to make as many high-scoring poker hands as possible by placing cards on a 5 x 5 grid. Form poker hands in the rows and columns.</p>   |
| <p><b>Trivia Whiz</b></p>      | <p>Trivia Whiz quizzes the player in a single category for the entire game. The player bets an amount of their total points before each question. Touch the button of your answer choice. Incorrect answers subtract from your total score. True trivia whizzes earn a bonus round of up to six questions.</p> |
| <p><b>Memoree</b></p>         | <p>Five color boxes are lit in random sequences that grow longer one step at a time. The player must repeat the just concluded sequence. Play continues with ever increasing sequences until the player fails to exactly repeat the sequence.</p>  |
| <p><b>Erotic Memoree</b></p>  | <p>Five hot babes or hunks are lit in random order sequences that grow longer one step at a time. The player must repeat the just concluded sequence. Play continues with ever increasing sequences until the player fails to exactly repeat the sequence.</p>   |

### Tri-Towers

In this popular card game, players must use speed and skill to clear all 3 towers. Remove cards to capture each tower. Touch cards one higher or one lower than the chosen deck card to establish a run. Continue until no possible moves are left, then flip to the next deck card. For a new twist, play the cards face up.

### Four Play

Players take turns placing colored pieces on a 7 x 7 grid. Use your pieces to block your opponent and put yourself on the path to victory. Be the first to connect four pieces in a row horizontally, vertically or diagonally to win!

### Conquest

Conquest challenges the player to capture as much territory as possible on the honeycomb grid by using "pills" to steal cells from the opponent. Select a creature to be activated, then jump or clone. Every opposing creature you block will be conquered and converted to one of your own creatures.

### Strip Club

Play poker against a sexy babe or hunk. Each hand you win gains points and reveals more of the sexy photo.

### 11 Up

In this classic counting game, players must clear the table by removing open cards in groups equaling 11. Select "Next Card" if reaching 11 is not possible. The passed card will move to an open playfield space and subtract points. Clear the entire playfield for bonus points or touch "Take Score" if no further sets of 11 are possible.

### Mystery Phrase

Discover a hidden phrase by picking letters from the on-screen list. If a letter is in the phrase, it appears in its proper place. Points are awarded based on a value derived from a random "spin" of the wheel. When you think you know the answer, press "Solve" and enter the remaining letters in the phrase. Speedy solving earns bonus points!

### Hoop Jones

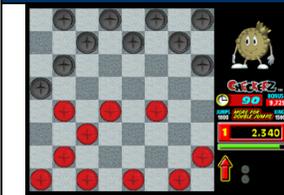

Hoop Jones challenges the player to time each shot to score a basket. Three consecutive baskets earn lightning bonus points. Pay attention - the basket moves further away on each round, and shifts side to side throughout all play.

### Zip 21

Place deck cards into 4 columns to build and remove hands of 21, opening space for new hands and more points. Cards can be placed in any column. Make hands of 21 to clear a column. Five cards under 21 will also clear the column. You have 3 chances to skip a card. Don't go over 21 or you'll lose points!

### Checkerz

Play this age-old game of strategy. Move pieces and jump the opponent's pieces to reach the opposite side of the board. Once you get there, create kings, which can attack forward and backward. The first player to successfully remove all their opponent's pieces wins!

### Quik Match

Quickly eliminate all the tiles in matching numbered and colored pairs. Touch unblocked tiles in matching pairs to remove. Tiles are blocked if they are bordered on the left and right by other tiles on the same level. Match all the pairs to clear the board.

### Power Solitaire

This game is traditional solitaire with a boost of power. Jacks are high and there are 3 decks going at once. Touch a card from one of the decks, then touch where the card is to be moved on the solitaire board. There are no Kings or Queens, and only Jacks can be placed on empty columns

### Pix Mix

The object of Pix Mix is to unscramble as many mixed-up pictures as possible before time expires. Unscramble by touching a square, then touching the desired area to swap. Earn extra points through consecutive correct swaps and faster play! Bonus points are awarded for each puzzle completed.

### Erotic Pix Mix

The object of Erotic Pix Mix is to unscramble as many mixed up pictures of babes or hunks as possible before time expires. Unscramble by touching a square, then touching the desired area to swap. Earn extra points through consecutive correct swaps and faster play! Bonus points are awarded for each puzzle completed.

### Photo Hunt

The goal of Photo Hunt is to locate and touch the 5 differences between 2 pictures that seem to be identical. Each incorrect touch deducts time. Bonus points are awarded based on time remaining.

### Erotic Photo Hunt

The goal of Erotic Photo Hunt is to locate and touch the 5 differences between 2 pictures of a babe or hunk that seem to be identical. Each incorrect touch deducts time. Bonus points are scored based on time remaining.

### Great Solitaire

In this traditional solitaire game, Kings fill empty spots and the goal is to compile cards of each suit from Ace to King. Touch each card to be played, and then touch where the card should be moved. You lose points for missing a move, so stay on your toes!

### Match 'Em Up

In this traditional memory test, players are shown a grid of squares with symbols, and then the symbols are turned face down. Hurry to remove all matching pairs before time runs out.

### Erotic Match 'Em Up

In this Erotic version of the traditional memory test, players are shown a grid of squares with sexy babes or hunks on them, and then the squares are turned face down. Hurry to remove all matching pairs before time runs out.

## Megatouch XL 5000 New Games

| Game Name & Thumbnail   | Game Play Instructions   |
|---|--|
| <p><b>Quik Cell</b></p>    | <p>An exciting version of the classic solitaire game! The entire deck is revealed on the playfield and "Quik Cells" can be strategically used for temporary card storage. Clear playfield by stacking cards of the same suit, Ace through King, in the cells. Move cards onto other columns in descending order, alternating colors.</p>   |
| <p><b>Tai-Play</b></p>     | <p>The object of Tai-Play is to remove tiles in matching pairs to fully clear the playfield. Careful when selecting the order - tiles are blocked if they are bordered on the left and right by other tiles on the same level. Clear all tiles for a bonus! If you get stuck, press a jester button on the left of the screen.</p>   |
| <p><b>Take 2</b></p>      | <p>Quickly clear all cards from the playfield. Select 2 open cards of same value or 2 open cards in consecutive order. Use the dealt card from the deck when there are no matches available in the playfield. Touching the card deck adds a card to the playfield and subtracts points.</p>  |
| <p><b>Puck Shot</b></p>  | <p>Shoot pucks to score points or knock the opponent's pieces out of the way. First, select your skill level and the location for the game. To play, stop the aim arrows, adjust power, and then touch the puck you wish to shoot! The first Player to end a round with a score of 21 or above is the winner. Exceptional shots earn "Skill Bonus" points. (Hint: Touch the side of the puck to add spin.)</p> |
| <p><b>Pile On</b></p>    | <p>This card game resembles the traditional card game "Spit." Players race to use all of their cards by placing them on 1 of 2 center decks. Cards can be placed only if they are one higher or one lower than the card shown.<br/> <b>NOTE: This game is only available if you have two Megatouch units linked.</b></p>   |

| Double Solitaire  |   |
|---|---|
|  | <p>This Mega-Link version of the classic solitaire game has two players competing, each with their own deck. The twist? Cards placed on the top row can be “stolen” and used by the opponent.<br/> <b>NOTE: This game is only available if you have two Megatouch units linked.</b></p> |

| Chug 21   |   |
|---|---|
|  | <p>Chug your way to 21! Add each numbered mug to any of 5 columns without exceeding 21 in any column. A sum of 21 or 5 mugs adding that add up to less than 21 clear a column. Watch out, only 1 mug can be spilled (passed) along the way.</p> |

| Merry Maidens  |  |
|--|--|
|  | <p>Remove the defending knights to clear the playfield and rescue the fair maidens. Use speed and skill to clear all 3 towers. Touch a knight within the towers that has a number one higher or one lower than the knight in the stack. Remove as many knights in each sequence as possible. Flip to the next knight in the stack when the sequence cannot be continued.</p> |

| Funky Monkey  |  |
|---|--|
|  | <p>Remove all the barrels in pairs of the same value or in consecutive order to beat Funky Monkey.</p> |

| <p><b>Power Trivia</b></p>  | <p>This game challenges players to use their brainpower to answer tough trivia questions. Select a category to begin. Touch the jester to pass on a question. Faster answers equal higher scores! You can also win stars for bonus questions</p> |

## XL 6000 New Games

| Game Name & Thumbnail  | Game Play Instructions  |
|--|---|
| <p><b>Hooter</b></p>            | <p>Help Hooter escape the advancing orbs! Aim to connect 3 or more orbs of the same color to knock them down. Look for special orbs to defeat the level faster.</p>   |
| <p><b>Trip Flip</b></p>         | <p>Use the deck cards to create sets of 3 of the same (Trips) or 3 in a row (Runs) and make the cards disappear. Don't forget to take advantage of the "Flip" cells for temporary card storage. Pay attention to the Special Runs for bonus points!</p> |
| <p><b>Tennis Ace</b></p>       | <p>Choose your skill level in Tennis –are you ready to face Easy, Normal, or Expert competition? Then play a fast-paced game of tennis against an opponent of similar skill. Touch the ball to return and serve!</p>                                    |
| <p><b>Route 66</b></p>        | <p>In this exciting solitaire-like game, Kops fill the 4 empty spots. To win, compile all of each colored road sign in ascending order.</p>   |
| <p><b>Super Route 66</b></p>  | <p>The goal of this game is to separate all of the numbered road signs into 4 columns from Axl to Jax, alternating colors.</p>  |

### 3 Blind Mice

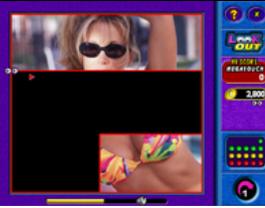

Place numbered mice from the pile onto the playfield to form sets of 3 of a kind or 3 in a row to make them disappear. Use the mouse holes for temporary storage.

### Fast Lane

Clear the playfield by stacking signs Ax1 through Kop in the police badge spots. Road signs are moved onto Ax1 stacks in ascending order by color. Fast Lanes are used for temporary storage of road signs. To reach the desired cards, move signs onto other columns in descending order and in alternating colors. Any sign may be placed in an empty column.

## MAXX New Games

|---|---|
| <b>MGA Championship Golf</b>  |   |
|  | <p>Choose one of four challenging courses to play a traditional game of golf! First, select your player and course. To swing, use the aim pole to select the direction of your shot. Your caddie will select an initial direction and club for you, but you may modify either setting. When ready, touch the power meter once, then again, to lock in the power level. The aimspin control will appear. Touch the desired setting to swing the club. After a great shot, touch the Camera button for an instant replay!</p> |
| <b>Look Out</b>   |   |
|  | <p>Lookout challenges the player to reveal sections of a hidden picture by moving around the playfield while avoiding the dangerous Zapper and Spikey. Guide the eyes around the screen, cutting out sections to show the picture. You advance to the next level when more than ¾ of the picture is revealed.</p>   |
| <b>Erotic Look Out</b>  |   |
|  | <p>Erotic Lookout challenges the player to reveal sections of a hidden sexy picture by moving around the playfield while avoiding the dangerous Zapper and Spikey. Guide the eyes around the screen, cutting out sections to show the picture. You advance to the next level when more than ¾ of the picture is revealed.</p>   |

| Mega-Link Trivia  |  |
|---|--|
|  | <p>This exciting trivia game allows players to compete against an opponent at another Megatouch game in the ultimate test of trivia knowledge.<br/> <b>NOTE: This game is only available if you have two Megatouch units linked.</b></p> |

| Monster Madness   |   |
|---|---|
|  | <p>Rush to remove the stones to return the monsters to their graves. Double touch connected tombstones of the same color to clear playfield and put all monsters in graves. Clear the graveyard faster for a larger bonus</p> |

| Snap Shot  |   |
|--|---|
|  | <p>In this tough memory trial, players must glimpse at the snapshots, remember key features, and answer questions that challenge their recall. Study the snapshot and remember as many details as possible. Faster responses score more points.</p> |

### MAXX 2K New Games

| <p><b>QB Zone</b></p>  | <p>QB Zone captures all the bone-crushing, fast-paced action and excitement of American football. To throw, touch the quarterback and drag your finger to the intended pass zone, then release. Use more speed for a fast, direct pass, or less for a high, slow pass.</p> |

| Pharaoh's 9   |   |
|---|---|
|  | <p>In this game of strategy, players take turns placing tokens on the board to form "3-in-a-row" combinations. Making a "3-in-a-row" combination permits removal of an opponent's token. When all the tokens have been placed, take turns sliding the tokens to adjacent open spots to form new combinations and remove more of your opponent's tokens.</p> |

| Gooool  |  |
|---|--|
|  | <p>Pass and control the ball, maneuver players near the net and score against the opponent. Choose between shootout or regulation play. Touch and drag a player to move them around the field. Double tap the receiving player when passing. To shoot at the goal, tap the net or double tap the player with the ball.</p> |

| Air Shot  |  |
|---|--|
|  | <p>This game is all the fun and action of air hockey. Touch and slide the paddle to hit the puck towards the opponent's goal or to defend against an opponent's shot. Earn seven goals to win!</p> |

| Wild 8's (also in Megatouch Gold)  |  |
|--|--|
|  | <p>In this card game, the object is to play through the entire deck of cards until there are no cards left, scoring as many points as possible. Place cards onto empty piles or onto a previously played card, matching cards by suit or number. Wild 8 cards can be used anywhere. Playing a number match increases the pile value!</p> |

| Wild Apes (also in Megatouch Gold)  |   |
|---|---|
|  | <p>The object of this game is to play through the entire stack of numbered apes until there are no apes left, scoring as many points as possible. Place apes onto empty piles or onto a stack, matching apes by number or color. Wild Ape cards can be used anywhere.</p> |

|--|---|
| <b>Boxxi</b><br>         | <p>This twist on the classic “Same Game” has players matching adjacent boxes by color. Touch a group of linked boxes once to select and again to clear. The more boxes you link, the higher the points. For assistance, hit the “Mix Up” button to rearrange.</p>   |
| <b>Moondrop</b><br>     | <p>In this spacey number game, players connect moons of the same color or number in any direction to make them disappear. Difficulty increases when the board is cleared below the red line. Extra points are earned for simultaneous matches or matches from falling moons.</p>  |
| <b>Outer Spades</b><br> | <p>Work with a partner to get the number of tricks bid out at the start of the game and achieve the highest score. Begin by bidding how many tricks you think you can win. Play your cards until your team meets or exceeds your combined bid. If you do not have the suit that led, you may play a spade. If you reach your bid, you add points! The highest scoring player of each hand will receive an additional jackpot.</p> |
| <b>Crazy Hearts</b><br> | <p>Win tricks and discard hearts to secure the lowest score at the end of this classic card game. Each heart counts as 1 point against you. One player leads, and the others must follow the same suit. The highest card in that suit will win the round. If you do not have any cards of the lead suit, you may play any card.</p>   |

### Euchre Nights

Play the highest trump card to win tricks and score points. Choose to become the “Maker” by selecting the face-up, dealt card or pressing a button to select a suit. The suit is the “Trump” and when used by the player holding it, wins any round. Play your highest card in the leading suit to win. If no cards of that suit are available, play any card. The Trump or highest suited card wins the trick.

### Foxy Boxxi

This is the erotic version of the Boxxi game. Clear the playfield and reveal a sexy hunk or babe.

### Pile High

A fun and fast-paced card game! Separate the deck by suit and in ascending order onto 4 ace piles as quickly as possible. Select a card, then touch where the card should be placed. Two cards may be placed on the “free pile” to help reach the cards you need. Any card may be moved into an empty row.

|  | <p>Pick one of 10 cards (1-10) to do battle with your Mega-Linked opponent, or with the computer. Guess if your card will be higher than, equal to, or lower than your opponent's. If you're correct and your opponent is not, you win the cards! If BOTH players guess correctly or incorrectly (a tie), the cards go into the pot and can be won by the player who wins the next round. Tie games are decided by sudden death. When you get your opponent down to 3 cards, you are the winner! ESP® is a registered trademark of The Creative Consortium, Inc.</p> |

### Head-2-Head Gender Bender

Answer faster than your opponent on popular stereotypically male and female topics. Touch the corresponding blue or pink buttons for your chosen answer. The faster you answer, the higher you'll score. If your opponent picks the incorrect response, you get a chance to select an answer.

### Head-2-Head Word Safari

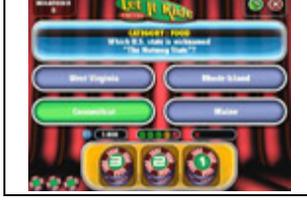

Find the words hidden in the puzzle faster than your opponent does. Select words from the list before you touch them in the puzzle. Once one player finds a word, it's taken off the board. Words may appear horizontally, vertically or diagonally. Don't forget that words can appear backwards, too.

### Let It Ride® Poker ("Take it Back Poker" in International Releases)

Build a poker hand of pairs or better using your 3 cards and 2 community cards that the dealer will expose. Use chips to reveal more cards. Remember: You must have at least 3 chips to play a hand; otherwise, the game is over! The more chips that you "let ride", the higher your score! Let it Ride® is a registered trademark of Shuffle Master, Inc.

### Let It Ride® Trivia ("Take it Back Trivia" in International Releases)

Challenge yourself to answer trivia questions. Clues will appear before the question does. If you think you will know the answer, use a chip to double your bet! If you're unsure, remove your bet to lower your risk. To neither double nor remove, "Let it Ride"! The more chips that you "let ride", the higher your score! Let it Ride® is a registered trademark of Shuffle Master, Inc.

### Mega Bowling

Regulation Alley: Earn traditional bowling scores by knocking down the pins. Touch the left and right arrows to position the ball, then move the gloved hand to set its hook. Release to shoot.  
 Dumpster Alley: Earn traditional bowling scores by knocking down the pins. Touch the left and right arrows to position the ball, then move the gloved hand to set its hook. Release to shoot. Bounce your ball off of the walls or debris shown to help you knock pins down.

### Wordster

Using 8 letters, create high scoring words from our Merriam-Webster dictionary. Each word must be 3-8 letters long. No "s" plurals or proper nouns are allowed. Before entering your word, you can "Clear A Letter", "Clear All Letters", or "Shuffle" the letters for more inspiration! When your word list is complete, build bigger words for more points or touch "Take Score" for a possible Speed Bonus! Merriam-Webster, Incorporated. Published under license with Merriam-Webster, Incorporated at [www.merriam-webster.com](http://www.merriam-webster.com).

### Jumble

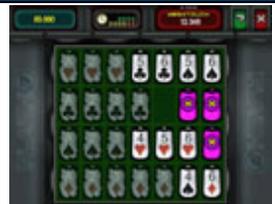

In this classic Jumble® game, use the cartoon and accompanying hints to unscramble clue words and earn points.

### Jumble Crossword®

Use the crossword clues to unscramble the answers and place them on the puzzle. When the puzzle is solved, arrange the circled letters to form the Bonus answer! Speed counts! Jumble® & ©2002 Tribune Media Services, Inc.

### Flash 7

Arrange the deck into four separate suits from Ace to 6 before time runs out. Ace is the low card, 6 is the high card. The round begins with 4 bomb cards exploding, leaving 4 open boxes on the grid. Any card dealt into its proper position locks into place. Maneuver the remaining cards around the board by always moving the next higher card into open boxes cards of the same suit. Open boxes behind the 6 card, or behind another open box, are considered strikes. The round ends with 4 strikes. Any cards remaining are reshuffled, and play continues until the mission is complete or time runs out. Unlock the hidden Flash7 cards for extra points!

### Skat

Become the Maker and score at least 61 card points to win! One player will lead a card, and the others must follow in the same suit. The highest card in that suit or the highest trump will win the trick. If you do not have the lead suit, you may play any card. The Ace is worth 11 card points, the Ten 10, The King 4, Queen 3, and Jack 2

### 11 Ball

In this strategic counting game, players must clear the table by removing open balls in groups totaling 11. Select "Next Ball" if reaching 11 is not possible. The passed ball will move to an open playfield space and subtract points. Clear the entire playfield for bonus points or touch "Take Score" if no further 11s are possible.

**Lonestar**

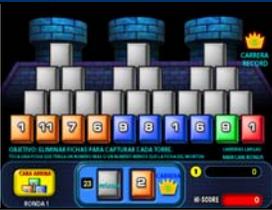

In this exciting solitaire-like game, stars fill the empty top spots and the goal is to stack all the game pieces in ascending order. Touch the numbered tile to be played, then touch where it should move. Columns can be arranged in descending order, with alternating colors. Only 13's can be placed in an empty column.

**Super Lonestar**

Compile all the game pieces in ascending order, in just one pass through the deck. Stars fill the empty top spots. Touch the numbered tile to be played then touch where it should move. Columns can be arranged in descending order, with alternating colors. Only 11's can be placed in an empty column.

**Tri-Castles**

Players must use speed and skill to clear all 3 towers. Remove numbered tiles to capture each tower. Touch tiles one higher or lower than the chosen tile to establish a run. Continue until no possible moves are left, then flip to the next tile. For a new twist, play the cards face up.

**Super Snubbel**

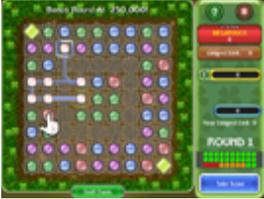

Clear the screen of bubbles by shooting same colored balls at groups of 2 or more to make them burst. Use the arrow and/or slide to aim, then release to shoot. Clear all to advance. Beware of low-hanging bubbles in the higher levels!

| <p><b>Gin Rummy</b></p>         | <p>Arrange your cards into groups of 3 or 4 of the same number, or into sequences of 3 or more cards of the same suit. Begin by taking one card from the face down stockpile or the face up discard pile. To complete your turn, one card must be discarded from your hand. You cannot discard a card pulled from the discard pile. When you have 10 unmatched card points or less, you can knock. With no unmatched card points, the player can go gin.</p>   |
| <p><b>Magic Charms</b></p>      | <p>Remove all of the charms on each level by linking matching charms together. Link matching charms by touching them, creating a chain. To add a charm to your chain, it must be reachable by making only 2 turns (right angles). Use the switcher charms to connect charms of different colors! Once a chain has been created (at least 2 charms), touch the "End Chain" button to remove the chain from the board. You can also "back up" in the chain by touching any of the charms again. Longer chains equal more points!<br/> <b>NOTE: This game is only available if you have two Megatouch units linked.</b></p> |

### Word Dojo

Use letters as they fall to create high scoring words. Words can be built in any direction. Select any letter, and then continue building your word by selecting any adjacent letters. To submit your word, touch "Enter Word." Longer words are worth more points.

### Word Serve

Rearrange letters to create as many words as possible. Words can be made left to right and top to bottom. Rearrange letters by touching 1 letter and then another to swap them. Use the "New Letters" button once for a random set of new letters. Press "Submit" to receive your score for each round.

### Trivia Treasure

Match each of the 5 answers displayed with its corresponding question. Beware, there are more questions than answers! Use the PASS button to browse through all the questions and decide which questions and answers match. To create a match, select the correct answer for the appropriate question. When satisfied with your answers, touch "Submit". Successfully match all 5 answers to unlock the chest and reveal the hidden treasures within.

### Megatouch Battle Command

Sink your opponent's ships before your fleet is destroyed or time runs out in this naval battle game. Place your 5 ships in strategic locations on the battlefield. Fire at squares containing your opponent's ships. Firing causes your power meter to go down - wait to fire at 100%. A movable submarine, a sonar button and a shockwave button provide extra tools to sink your opponent's fleet. The first player to sink the most ships wins!

**Note: This game is only available if you have two Megatouch units linked.**

### 3 Some

Place symbols from the pile onto the playfield in any open spot. Use the columns to arrange symbols in sets of "3 of a kind" or "3 in a row". Use the cells at the top of your screen for temporary storage of symbols while you're arranging the sets. Completed sets are removed, freeing up the columns to form new sets. Finish the entire pile to earn bonus points. Bonus points can also be earned by completing the Special Runs that appear on your screen.

### Castle Bandits

Touch any top-level tile on the board that is one higher or one lower than the tile shown on your stack. Play as many tiles as possible to continue the sequence (numbers 1 and 13 can be as a sequence). Flip the next tile when the sequence cannot be continued. Use the WILD tile as needed. A high score takes you to the bonus round. Clear the board to open the doors and win.

### Rack 'Em 9 Ball

The object of the game is to pocket the 9 ball after all the other balls are sunk. Player 1 always breaks. To shoot a ball, first line up the shot by picking the direction of the shot or a specific ball to aim at. Next, adjust the power level and shoot. On each shot, the cue ball must hit lowest ball on table first, but the balls need not be pocketed in order. Pocket any ball on a legal shot, and remain at the table for another shot. Continue until missing, committing a foul, or winning the game by pocketing the 9 ball.

### Race Poker

Two games in one! Try an interesting twist on 5-card poker. Choose cards from the three provided decks, using luck and skill to create the best possible hand. The better your hand, the higher your score. Higher scores more quickly advance your horse down the racetrack. First horse to cross the finish wins!

### Boxdrop

Time to close orders in the factory. Drop numbered boxes onto 4 scales to fill each order. Careful not to bust or the scale will break! Boxes numbered 1-11 will appear on the left of your screen. The 4 scales will each have an order number. This is the number you must reach with the dropped boxes. Touch a specific scale to drop a numbered box. When the boxes equal the order number, the scale will clear and move up. Close all the scales by stacking your boxes to equal the order number and win the round!

### Megatouch Mini Golf

One to four players can participate in this miniature golf game. Select a course and choose a ball to begin play. To set up your shot, select the Putter or Chipper. Next, use the arrows to the left and right of the "SHOOT" button to direct your ball. Adjust power by sliding the arrows up or down the Power bar. A Hole In One at #9 wins 3 free holes!

### Vinci-Ball

A MEGA-LEVEL GAME! Capture invention scrolls and unlock the hidden inventions of Leonardo Da Vinci! Clear all breakable boxes from the screen at each level. Drag the launching pad to set up shots. Touch an area onscreen to shoot the ball at the barriers. Ricochet the ball off available surfaces and the launching pad. Bonus inventions can help you clear the level or slow your progress. Get more points for harder boxes and earn bonus points for unused lives (balls) when time expires

### CDM Fantasy Sports

Create your own fantasy football team! Select 2 quarterbacks, 3 running backs, 3 wide receivers, a kicker and a defense. Or touch "Quick Pick" to auto-select and then edit your team. You receive a score for each team you create based on the actual last season performance of the pro sports players you selected.

As you remove the links and make your way through 50 thrilling levels, new power ups and barriers will be revealed. Make sure you don't get locked in!

### Luxor: Survival

Battle to survive in this new twist on the hit game Luxor. Choose your skill level wisely because the action is fast, furious and non-stop! Keep the colored spheres out of the pyramid for as long as you can. The spheres come faster and faster as the game goes along, but so do power-ups and points. How long can you last?

### Tricky Fish

Ever feel like a fish out of water? It will come in handy in this game! Tap the screen to keep this tricky little fish in the air. Your score gets higher with each consecutive bounce. Dolphins will help your score, but watch out for that pesky pelican, he'll gobble up your fish and end your game!

### Ink Rally

Ride the lines to victory in this unique problem-solving game. Use your finger to create a path for your tire to roll on. Get to the checkered flag to advance to the next level. Bumpers and coins will earn you extra points but only if you reach the finish line. On your mark, get set, draw!

### Card Pirates

Set sail on a lightning-fast race to become the ultimate Card Pirate. Speed and accuracy count in this classic one-higher, one-lower card game. Get rid of the cards in your hand by playing them onto either discard pile. The player who uses the most cards wins the round. Who will be first to clear their deck? Try Jolly Pirates for an addictive symbol version of this high seas duel.

### Jolly Pirates

Battle opponents in head-to-head card match for Pirate riches. Players race to discard their cards as fast as possible. A card can only be discarded if its value is one higher or one lower than the top card on either discard pile. To win, be the first player to discard all 25 cards, or be the player with the least amount of remaining cards when time expires or when no more moves can be made.

### Penthouse® Video Mix (Ion Only)

Puzzle games just got a whole lot sexier! Swap squares to reassemble full motion video clips starring your favorite Penthouse Pets. See something you like? Act fast! Unscramble the puzzle pieces before time runs out.

### Photo Pop

Have you mastered Photo Hunt? Try your skills at Photo Pop! We'll show you what to look for; can you find it in time? Targets shrink in size as you progress, so be careful, an incorrect touch will cost a life. Play with friends to make sure you're not missing the big picture!

### Zen Word

No time for relaxation in this Zen Garden! Just like a mahjong game, your goal is to clear the board of tiles, but instead of matching symbols, you form high scoring words. Breathe deep and open your mind to create as many words as you can, as fast as you can. Clear the entire board for an extra bonus. How quickly can you reach enlightenment?

### Dodge Bull

You're the bullfighter in this dodge ball arena. Avoid getting hit and watch your score grow. Grab power ups to slow the balls down, blast them away or even become invincible. Hang in there! Avoid the balls long enough to make it to ultimate showdown – you versus the bull.

| <p><b>Lucky 11's</b></p>      | <p>Get ready to pull off the biggest casino heist in history! The target? Las Vegas Boulevard – home to 3 of the most secure vaults ever built. Clear the board of chips by creating groups that equal 11. The odds are stacked against you, but the loot is yours if you can crack all 3 vaults in time.</p>   |
| <p><b>Avalanche Jack</b></p>  | <p>We take blackjack to new heights. Help Jack avoid an avalanche by creating winning hands of 21. Your secret weapon is your "Spin Card" – use this to create the best possible hand. If you can beat the dealer, you'll climb higher after each winning turn. Reach the summit to plant the flag and win the game.</p>  |
| <p><b>Super Boxxi</b></p>   | <p>Get ready for a whole new level of Boxxi! The objective is simple: clear sets of same-colored squares; but watch out – these boxes are on the move! You'll have to think fast if you want to clear all 4 levels in time. Collect Bonus "Mix-ups" along the way and earn even more points for clearing the entire board.</p>  |
| <p><b>My Ex</b></p>         | <p>Breaking up is hard to do, especially when you're getting dumped by 3 girls at the same time! Can you catch everything that's being thrown at you and bounce it safely into your truck? If you want to save your stuff, you may have to juggle two items at a time. Be careful not to drop anything, you'll cause a racket and nosy neighbors will call the cops. One too many noise complaints and you'll get busted!</p> |
| <p><b>Deflection</b></p>    | <p>Attention Soldier! You have been selected to defend our playing field. Do not allow three goals on any one net, and watch out for cannons – they can destroy everything you are trying to protect. Dynamite will aid in your defense by destroying all the balls on the screen. Speed is the key, and remember – accuracy counts.</p>  |

### Super Cell Chaos (Hi-Res Required)

It's a state of emergency and you're the only doctor on call. 15 levels, all solvable with a single touch, stand between you and saving the patient. With a steady hand, drop the antidote to clear colored cells. The number of cells you need to clear increases as you progress, so timing and placement are critical!

### Triple Crown Boxing (Ion Only)

How's your Left Hook? Enter the ring and see if you have what it takes to K.O. the competition. Three champion boxers have been training for this moment and will do whatever it takes to defend their titles! Are you tough enough to defeat them and become the new Megatouch Triple Crown Boxing Champ?

### Trivia Whiz 2 (Hi-Res Required)

We've been hard at work compiling the most fun and challenging questions for this sequel to our top-rated trivia game. Check out our totally awesome 80s Trivia, jump to the head of the class with our Back to School category, or showcase your knowledge of the tube with trivia about your favorite Sitcoms. Other new and improved categories include Country Music, Celebrities, Cops & Robbers, Movies, and more.

### Skee-Ball (Ion Only)

An arcade favorite comes to the touchscreen! Roll the ball down the lane and score the most points for the win. See how many balls you can land in the 100 point cups, or challenge your friends in multi-player mode. Get the ball rolling with this instant classic.

### Spider Kings

Get tangled up in this addictive new twist on Spider Solitaire. Your goal is to clear the entire board of cards by creating descending stacks from King to Ace. This one-suit game might seem simple, but to rule this kingdom you'll need spider-like senses and a bit of luck. Think you have what it takes to be King?

### 13 Spiders

In this fast-paced, highly-addictive game, you need to quickly create 4 descending stacks from 13 to 1. Chase the hi-score by playing with speed and racking up bonus points for time left remaining on the clock.

### Chainz 2: Puzzler (Hi-Res Required)

Touch chain pieces to make them rotate. Connect 3 or more of the same color to blast them off the board. Don't leave any links behind! Only by clearing the entire board will you solve all 50 of the unique puzzles. Players can save their progress by logging into their My Merit accounts.

### Megatouch Battle Command

Hey! You sank my submarine... and my destroyer! Our popular Mega-Link game can now be played as a solo mission. Place your ships strategically, then try and guess where your automated opponent placed theirs. No taking turns, this is a high-speed chase and fast fingers are what you'll need. Shockwave and Sonar can help slow your opposition, but act quickly or you'll be sunk.

### Australia's Thunder From Down Under Photo Hunt

Megatouch has teamed with Australia's Thunder from Down Under to bring new and exciting content to this touchscreen classic. Players solve each Photo Hunt puzzle by finding five differences in pictures of the blokes from this internationally acclaimed male revue.

### Australia's Thunder From Down Under Foxy Boxxi

The Thunder from Down Under male revue heats up this Megatouch classic. Players match up colors and clear the board of boxes to reveal sizzling photos of Australia's hottest export.

| <b>Tug of Words (Ion only)</b>  |   |
|   | <p>In this word building challenge, you must defeat the gods of ancient Greece if you want to rule Mt. Olympus. Create words 3-10 letters in length. The longer the word, the more points you'll be awarded and the closer you'll drag your opponent to the fiery pit of doom. Each round increases in difficulty, so you'll need to step up your game if you want to face off with Zeus. Are you scholarly enough to defeat all 3 warriors and become the new God of Words?</p>  |
| <b>Brain in Gear (Ion only)</b>   |   |
|  | <p>Hey genius, it's time to exercise your brain muscle. With 3 levels of difficulty, you can decide just how hard you want to train. Flex your mental powers as you make your way through 3 distinct challenges. The Critical Thinking section will have you rapidly comparing and contrasting objects to determine which is heaviest. In the Memory section you'll be helping the mouse find the cheese (and avoid the cats!), and in the Mathematics section you'll surprise yourself and your friends as you solve the equations with lightning speed. What are you waiting for? Get your Brain in Gear!</p> |

|  | <p>2 pair... 3 of a kind... full house...HIKE!<br/>Use your Spin Cards™ and one of the center card piles to make the best poker hand possible. Think you've got a bad beat? No worries, your 2 hidden cards may give you the surprise advantage you need to take down the defense. Be the first to get to the end zone to score a poker touchdown and win the game.</p>   |
| <b>Funkier Monkey</b>   |   |
|  | <p>Bonjour! Bash has been busy with the harvest and needs your help getting his vintage to market. Pair up barrels with same or consecutive numbers and clear the shelves to earn bonus points. Progress to higher rounds by reaching the daily sales target. Not reaching the goal will devastate Bash and put him out of business (and end your game)! It's up to you to help his business mature from cheap, boxed wine to fine Bordeaux!</p>  |

### Text Twist Lightning

The classic word jumble gets twisted! Unscramble words one at a time to move on to the next level. The faster you figure them out, the more points you'll be awarded. It doesn't take a genius to get through all 5 levels – it just takes lightning speed!

### Little Shop of Treasures

This popular GameHouse® hidden object game can now be played on your favorite touchscreen countertop. You're the shopkeeper at the Little Shop of Treasures. Your customers know exactly what they want, but need your assistance locating the items. Help them shop 'til they drop by filling their special orders. Intricately designed scenes feature hundreds of items, and only you know where they're hidden (or do you?). Use hints and enlist your friends to make sure all your shoppers go home happy. If you can complete 15 orders in less than 2 minutes, you'll get the chance to play an extended Bonus Round for extra points.

### Stunt Squirrel

Quiet on the set! Flash the Squirrel is auditioning for the role of a lifetime. Help him get the part by jumping and gliding across cars, boats, and airplanes. Collecting acorns along the way will give him the bonus points he needs to get the high score and impress the director. Too many missed landings end the take and Flash's career as a high-flying stunt squirrel.

### Megatouch Memory

It's a fact that memory is the easiest mental process to train. It's also a fact that improving your recall skills is more enjoyable than you might think. In this classic matching game you'll flip over the tiles and pair them up to remove them from the board. Don't worry, you can make mistakes, but you'll only move on to the next round by clearing entire board. Think it's too easy? Then you haven't reached round 3! Go ahead and use the Hint button, we won't tell. Now if I could just remember where I left my keys...

### Jackpot Corner (IOn only)

Introducing Jackpot Corner, the new puzzle phenomenon that reinvents matchmaking games. Create high-scoring combos of any size – 2x2, 3x5, even the entire board – all in one shot! It's as simple as finding 4 corners that match. Practice makes perfect, and once your players have honed their skills... it's tournament time!

| <p><b>Boxxi Blitz (Ion only)</b></p>                              | <p>A combination of speed and strategy is the key to success in this crazy adaptation of a fan favorite. Three box colors allow massive moves that spawn game-changing power-ups and soaring high scores.</p>  |
| <p><b>Casino Cats Final Table Hold 'Em (widescreen only)</b></p>  | <p>Take a chance at the Megatouch Casino. Give us your best poker face and bet wisely. If you can make the best 5-card hand you'll win the round, but it's not easy to win the respect of our card sharks. Defeat them one by one to make it to the final table and be the last remaining player. Whether you're a high roller, or just having fun, you have the edge with Spin Cards™... and remember – the house doesn't <i>a/ways</i> win.</p>  |
| <p><b>Flick &amp; Kick Football (Ion only)</b></p>              | <p>It's fourth down and you're on the 35 yard line. Your team is counting on you to kick the field goal and win the game, but this is no ordinary game, and that is no ordinary goal post. A quick flick of your finger will decide whether or not you get it through the posts... or into the stands. If you can flick and kick your way to victory through the first 2 rounds, prepare yourself for an out-of-this-world Bonus Round experience!</p>   |
| <p><b>Little Shop Road Trip</b></p>                             | <p>In this sequel to the popular GameHouse® hidden object game and Megatouch smash hit, you are the proprietor of the Little Shop of Treasures, and business is booming. You're on a cross country road trip gathering new trinkets that your customers will love. Build your inventory by finding 15 unique items in each scene, and if you can do it in less than 2 minutes, you'll get the chance to try the extended Bonus Round where you'll seek out one-of-a-kind items that will give you extra bonus points. 16 different levels – from the Grand Canyon to Niagara Falls – and thousands of hidden objects are sure to present you with a unique gaming experience every time.</p> |
| <p><b>Penthouse Foxy Boxxi</b></p>                              | <p>We've taken Foxy Boxxi to a whole new level of sexy by refreshing the layout and adding hot new photos of our voluptuous Penthouse vixens. In each game you'll remove same-colored boxes, and the more you remove at once, the more points you'll earn. Win bonus points and reveal the entire picture if you can clear the board completely. We'll even help you by giving you one "mix-up" per game because it's a shame to keep these lovely ladies covered up!</p>  |

### Penthouse Photo Hunt

The sexy companion to our most popular game gets a brand new look, and brand new photos. The content is racier, but don't let it distract you from finding the 5 differences between each set of pictures. Using only 3 hints, do you think you have what it takes to achieve the new high score?

### Penthouse Party Bandits

Our Penthouse babes are having a party and you're invited. Play this seductive new spin on one of our most popular games ever, and you'll be treated to a series of sexy photos – each one more seductive than the last. All you need to do is clear the entire game board by removing cards that are one higher or one lower than the one before it. Sound easy? You'll need to make your way through all 3 levels if you want to become a Penthouse Party Bandit!

### Penthouse Super Boxxi

We've taken Super Boxxi and made it even more super by adding risqué photos. Take a peek at the Penthouse babes by removing adjacent boxes of the same color. The more boxes you clear, the more points you'll be awarded. Make sure you don't get distracted, because if the boxes pile up and reach the top of the screen, your round will end. The real payoff comes at the end of each level. If you can clear the entire board, an enticing photo is revealed. As if you needed any more incentive than that, complete the next level and she'll take off even more! Make it through all four levels and you're in for a steamy surprise!

### Space Farmer (Ios only)

There is a crisis of unearthly proportions! Your mission is to replenish the farm animal population on your home planet of Megatouch. With your alien army and fleet of UFOs, you must capture as many sheep, cows, and chickens as you can while avoiding mid-air spacecraft collisions. Draw out the flight paths with your finger, and then watch as your diabolical plans are carried out. It's not just another ordinary day down on the Megatouch farm... at least not for you, almighty Space Farmer.

### Trix (widescreen only)

You'll rule the kingdom if you can master this game of tricks. The dealer (chosen at random) decides on a contract, and based on the rules of that round, you must strategically throw down your cards. In the King of Hearts, Diamonds, and Queens contracts, you must avoid taking tricks that contain certain cards. In the Trix contract you want to avoid taking any tricks at all, and in the Slaps contract you simply want to be the first player to get rid of all the cards in your hand. Think you have the skills to play through all 5 contracts in all 4 kingdoms? Are you next in line for the throne, or just another lowly trick-taker? The game that's a smash hit in the Middle East is now available worldwide on Megatouch. Show everyone what Trix are up *your* sleeve.

### Word Dojo 2 (Ion only)

For close to a decade, Megatouch fans have honed their word-building skills playing the original Dojo game. Its sequel delivers an expanded dictionary, crazy power-ups, enhanced scoring, and an all-new survival round.

### Zombie Cats (Ion only)

Look out, it's an apocalypse meow! It's the year 3000, and those furry felines have evolved into an undead army of zombies that are out to get you! Jump from rooftop to rooftop to escape them. If you time your landings correctly, you'll detonate a bomb that will destroy all feral inhabitants of that building (and win you some bonus points as well). Make it safely to the end and you'll be whisked away in a helicopter to a magical land that is free of all these crazy critters.
